<sup>1</sup> Previously filed § 546(b) notices each attach an **Exhibit A** index of recorded liens and partial releases. This column corresponds with the reference numbers used in those previous filings. For example, the first line denotes ECF no. 2073 and Ex. A ref. no. 9. This entry refers to a lien included in the § 546(b) notice filed at ECF 2073, that lien appearing on that notice's **Exhibit A** index as reference number 9.
